Summary

Hello! I am Daniel Christoper (24), and I am a graduate student from Jambi University, majoring in Information Systems. While I was still studying, I was active in student activities at Jambi University, including being active in the management of the Jambi University Information Systems Student Association.

In July 2021 - September 2021, I took part in the Fresh Graduate Academy training taking the training topic Database Design and Programming with SQL. I passed the training by following all the courses given. In this training I gained new knowledge and experience about SQL and Oracle Database.

In February 2022 - July 2022, I took part in training from Bangkit Academy led by Google, Tokopedia, Gojek, & Traveloka taking the Cloud Computing Learning Path training topic. I passed the training by following all the courses given. In this training I gained new knowledge and experience about Cloud Computing and Google Cloud Platform (GCP).
