Daniel Christoper Bramastyo

Bachelor of Information System UNJA | Data Enthusiast
Jambi, Indonesia

Summary

Hello! I am Daniel Christoper (24), and I am a graduate student
from Jambi University, majoring in Information Systems. While I was
still studying, I was active in student activities at Jambi University,
including being active in the management of the Jambi University
Information Systems Student Association.
During my time at university, I developed a strong foundation in
programming, database management, and data analysis. My
involvement in the Information Systems Student Association honed
my leadership and teamwork skills. I am passionate about leveraging
technology to solve complex problems and am always eager to learn
and adapt to new challenges.
